RE: License Plate Reader Quarterly Audit Report- 2026 Q2

DATE: July 3, 2026

On July 3, 2026, a quarterly audit was conducted of the Department's Flock license plate recognition (LPR) system. The primary focus of the audit was to verify that documented reasons for LPR searches conducted during the previous three months were consistent with Department policy. The review determined that all Department Flock users were in full compliance with General Order 325 regarding the documentation of search reasons.
