CAUTION: External email.

Send the FOIA request. Is it for images or general data?

Steve, I'm out of the office this afternoon, but I've got some emails that deal with this that I'll send you tomorrow if Carol or Blake don't get you something earlier

Hello Steve,

I've cc'd the city attorneys for North Little Rock, Jonesboro, and Fayetteville on this email. Amy, Carol, and Blake—I'm a bit tied up at the moment, would any of you be able to talk to Steve about FOIA and Flock Cameras?

In addition, my advice to cities who are entering Flock contracts is to ensure that the agreement makes clear that Flock is the custodian of the records and that FOIA requests for records captured by Flock cameras will be diverted to Flock by the city.

I've copied a string of emails from late last year where Caleb pointed us to Ark. Code Ann. 12-12-1808 that provides captured plate data can only be disclosed to the person to whom the vehicle is registered, or with the owner's consent.

Steve I have been stuck in meetings all day, but will be happy to give you a call tomorrow if you will be available. Let me know if there is a particular time that is good for you.
